

Twenty-Five years/1950-1975

Maná Ha Sa 1950

25 Years Ago.....

At last our knees are knocking on the doors of graduation. With fondness we look back to the fall of 1946 when 103 students entered this school with a wild-eyed look. The class leaders were Eddie Hart president; Donna Mallard, vice-president; Isabelle Wingate, secretary; Shirley McGill, treasurer; Barbara Bowers, girls' athletic manager; Howard Moore boys' athletic manager; and Miss Gladys Jasper and Mr. John Fahrer as advisors.

To get the upper classes' attention we sponsored a roller skating party at Frank's Roller Rink. Three of the girls, Joan Vawter, Lawana White and Wilma Brink landed positions as sergeants-at-arms on Girl Reserve In sports, nine boys earned minor "M's" for basketball and football. In intramural sports, the girls' volleyball team placed second in the tournament.

We began our Sepomore year with 82 students. Loren Stone led us the first semester, Darrold Ryker was president the second. Our Avisors were Miss Rayburn, Mr. Parkinson, and Mr. Day. Virginia Chapin vice-president; Avis Rossew, secretary; Karma Freer, treasurer; Betty Barker, honor point secretary; Jim Scholtan forum member; Vera Steinbach, girls' athletic manager; Dick Scrivner, boys' athletic manager. Loren Stone and Robert Holleway earned major M's. Second Semester officers under Darrold Ryker were: Dudley Costello vice-president; Maxine Morgan, secretary; Barbara Smith, treasurer; Billy Wood, forum member; Doris Belinger, honor point secretary; Nadine Hardy, girls' athletic manager; Jerry Lucas, boys' athletic manager. An assembly contest was presented that year and we won first prize with a variety show. We finished the year with a class picnic at Black Canyon Dam.

Juniors "49", Upper-classmen-Ah, yes-we are someone now and can frown on under-classmen's childish antics(?). We began this year with 105 students. Howard Patterson was president the first semester and Scott Thomason the second. The class officers the first

45025

semester were: Marilyn Gray, vice-president; Donnie Scrivner, secretary-treasurer; and Glenn Marks, forum member. Second Semester led by Warren Johnson, vice-president; Lawana White, secretary-treasurer and Hermund Ackley, forum member. Mr. Parkinson and Miss Morgan were advisers.

As Juniors we sponsored a "Hemecoming Day" and hoped that it would become a tradition. In the afternoon there was an alumni assembly, followed by a football game with Payette and a dance. Another feather in our cap was Virginia Chapin being elected "Homecoming Queen!" The Junior-Senior Prom theme was "How Deep Is the Ocean" and aqua and white carried it out. The Juniors and Seniors combined to present the play "Little Women".

Now we look over our last year in dear old M.H.S. First Semester Officers were: Dorothy Gunthert, President Harold Wehrman, vice-president; Betty Je Hoffman, Sec. Treasurer and Marianne Mick, Forum Represent. Second Semester Officers: Barbara Bowers, President; Raymond Lane, vice-president; Evelyn Shaul, Secretary-Treasurer Claire Biesecker, Forum Representative. Mr. Denton, Mr. Riddlemoser and Miss Kurtz spent a hectic life as our advisers.

Our first social event was a box social. We sponsored the Christmas Formal and decorated all in white. Our theme was "Christmas Island".

We presented our class play in May. May 14 was our baccalaureate and the commencement services the following Thursday. We vowed to shed no tears, but a few slipped through because the ceremony was so impressive.

The Class chose pink carnations for their flower and pink and silver for their class colors. "At the top but still climbing" was selected as the class motto.

So ended our career as students of Meridian High School.....1950.

"about ten yrs. ago I had a town house (Nampa), a place in the country (20 acres of sand in Payette) and I just traveled (drove truck)." He also stated that he certainly planned to be with us but he was sure there would be someone there that would embarrass him in front of his new wife. His wife, Dolores, after reading Bob's letter enclosed her own - telling of their life at the Copper Mine, their families and inviting any of us to visit. She must be quite a gal. The pictures enclosed were of a cabin nestled in trees and snow (the mule standing under one of the trees - no, not Bob, they have a real one) and one inside the cabin with Bob, pipe & beard, sitting in the rocking chair by the fire, with his wife standing by his side. Get the picture?? He is quite the guy.

Johnnie passed away 3.18.75 of a heart attack

He had sent his reply and planned to be with us this reunion, as following:

Exact quote - "It's a great day to be alive. I look forward

with anticipation to see and hear the marks

that the class of 1950 has made on the face of

the globe. Strange how much more important a

25th seems than did the 5th or 10th. Could it

possibly be that the faster we race toward the

future, the greater we treasure the past? After

living in eight states and for a time in South

America, I'm still very much attached to Meridian.

The P.S. about Marilyn and the sagging

carries some presuppositions that we may all

have to face. Ah, to have found the fountain

of youth. Do you plan on name tags or do we

just bumble our way through introductions?"
